Moving in checklist

○ **What should I do now that I am moving?**

If you are currently renting, you must notify your current lessor (landlord) or agent. You should read the *Form 17a – Information Statement* which is available from your local Department of Housing office or agent to see what your rights and responsibilities are in this matter. Alternatively, you can contact the Residential Tenancies Authority toll-free on 1300 366 311 or www.rta.qld.gov.au.

○ **Tell everyone you've moved to a new address. Tick this checklist as you go.**
